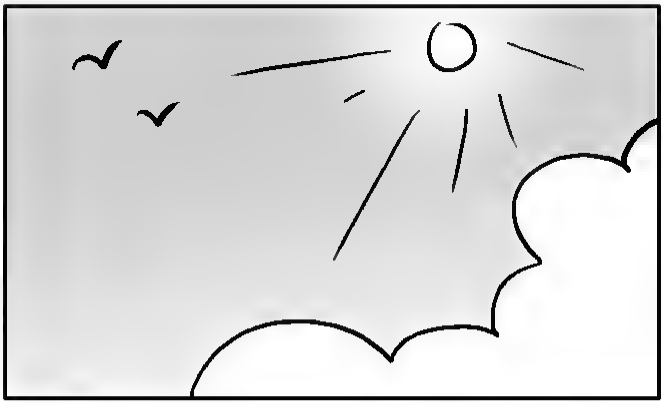
The Afternoon Tea

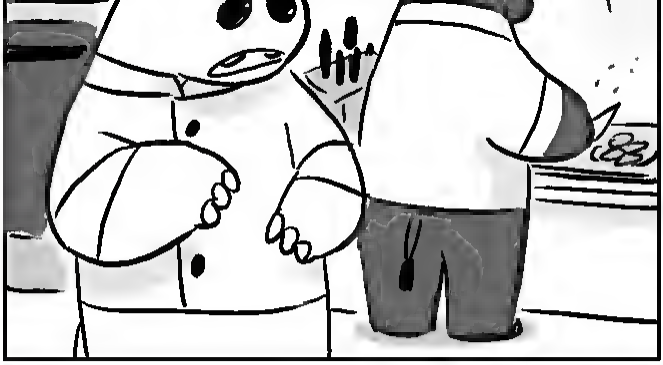
What can I do with these bread bits?

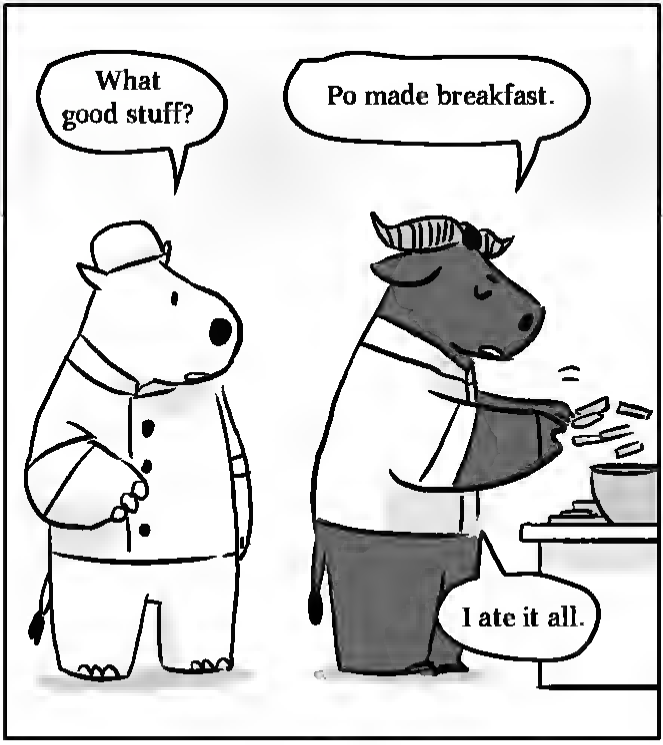


Back to work...
Why do we always need to come earlier than Chef Mousse...

You're late, hippo.
Again.

My name is Hippie, not Hippo!
How many times have I told you
I don't care.
What's that smell?
Oh yeah, and you've missed some good stuff.





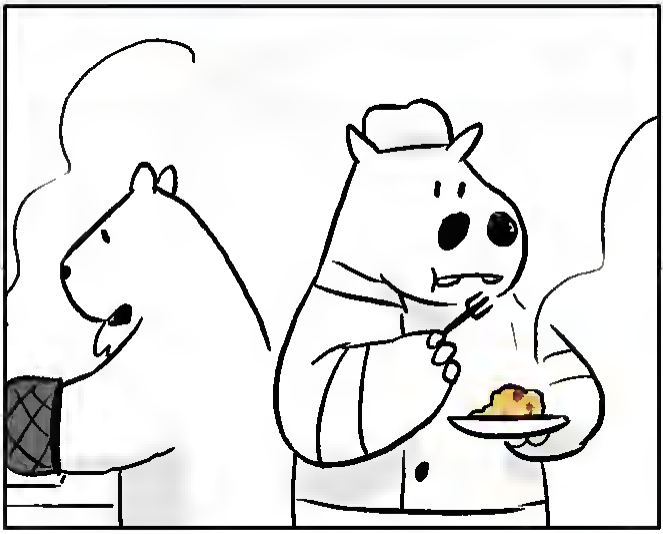
What good stuff?
Po made breakfast.
I ate it all.

What?!
Just kidding.
Over there.

Good morning.

Here's yours.

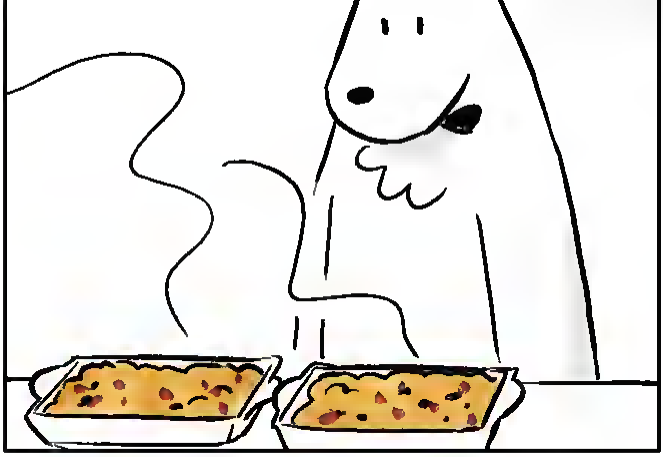
What's this?

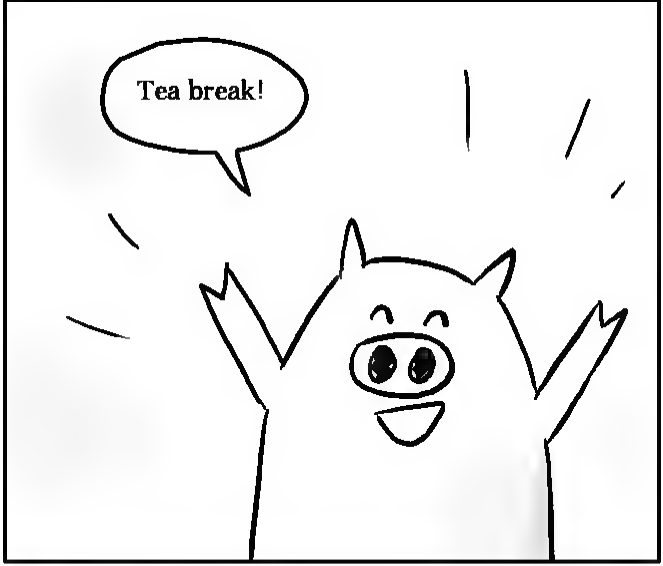


I made quite a lot of bread pudding.
I'm in heaven...

I'm full.
Find some way to get rid of them before Chef Mousse finds out.

.....





Tea break!

Who wants coffee?
Me!
Me me me!

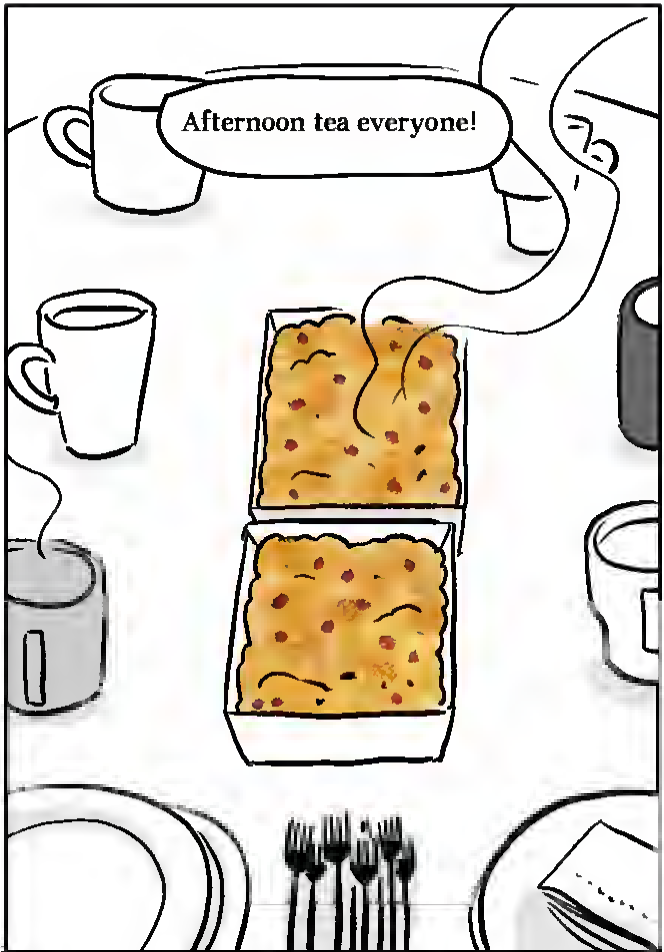
Alright,
just a moment!

Hi Po! You finished the
delivery today?
Yes.

I bought some new
coffee beans for you.

Thanks! I can try them out right now!
Here's also some snacks for afternoon tea.

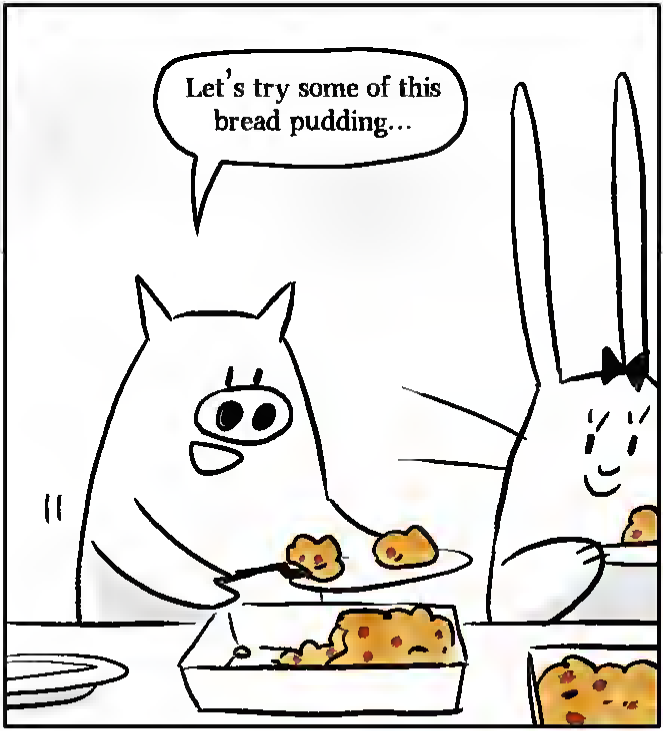
Wow, where did you get these?
Um, I bought them from one of the cafes.



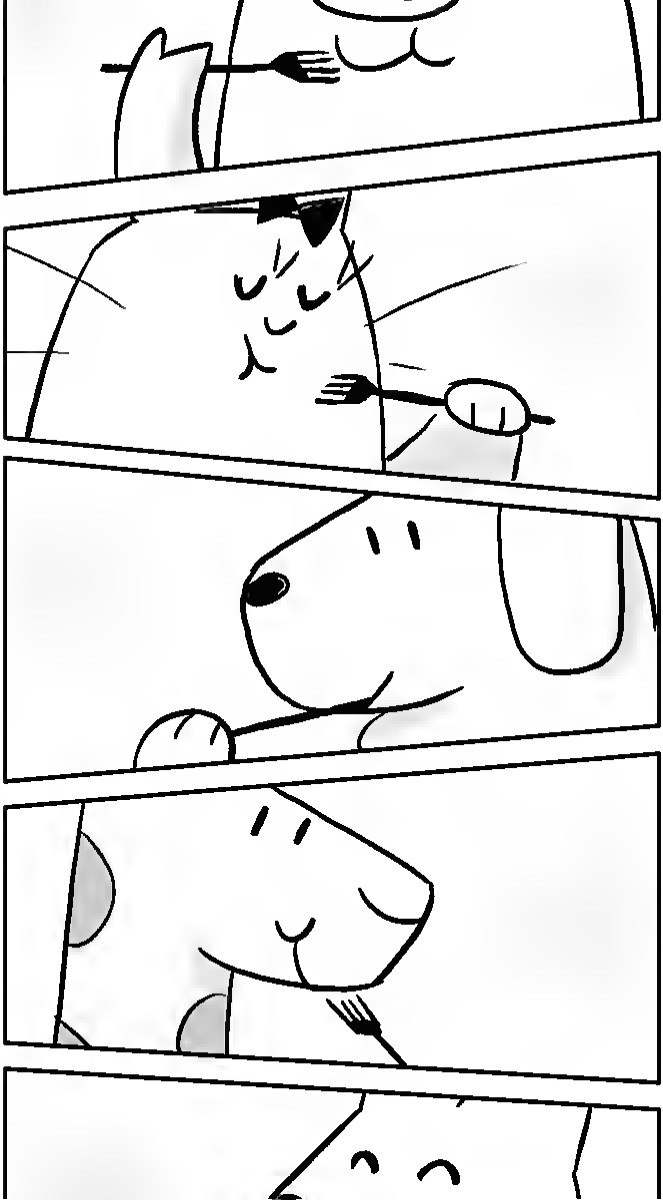
Afternoon tea everyone!

What do we have here?
Po is so nice to buy some bread pudding from his delivery!

That's really nice of you, Po.
No problem.



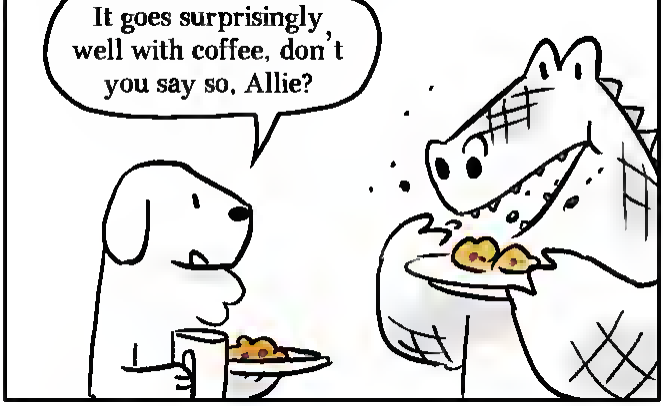
Let's try some of this bread pudding...



Oh my gosh!
It's soooo good!

Po! Po!
Where did you buy this?
Um... sorry,
I forgot.

Aww that's too bad!
Please buy this again next time!
What? No more?

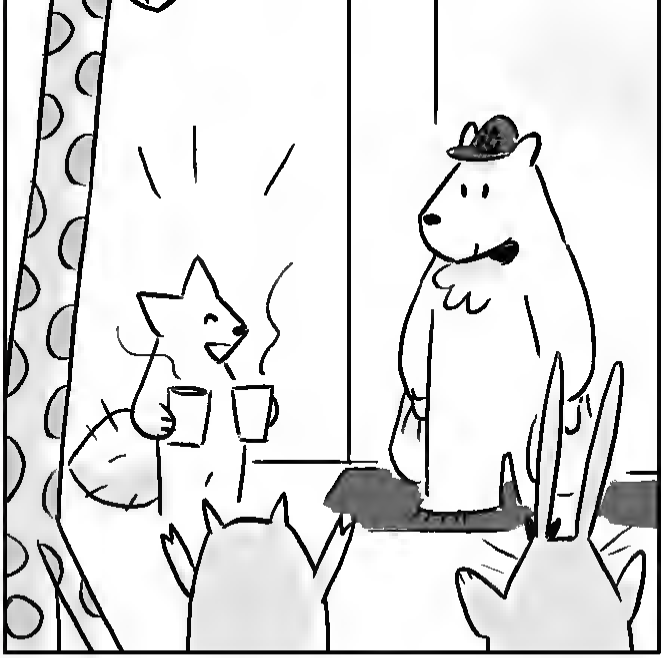


It goes surprisingly well with coffee, don't you say so, Allie?

Way to go, Po! Everyone loved the afternoon tea!
Thanks.

I never liked sweet things, but the bread pudding today is really tasty!
Thanks Horsie.

They like my cooking.
I can keep making snacks.

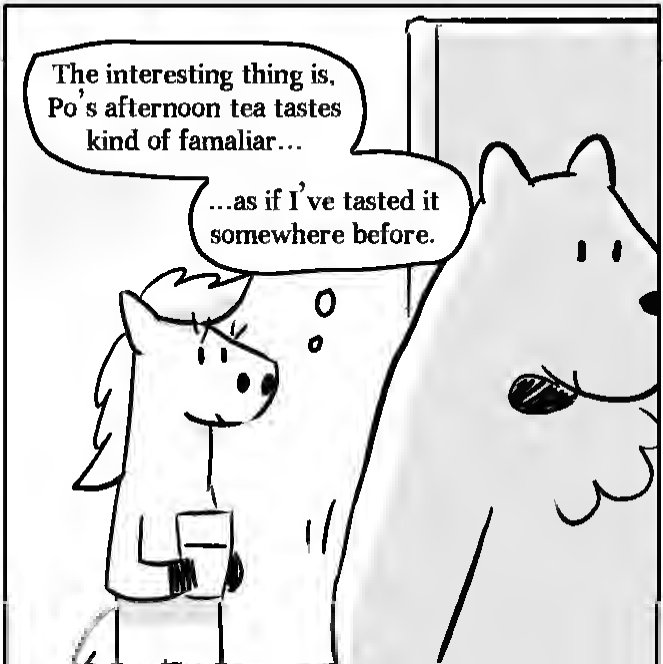


I miss the bread pudding, but all the other stuff you bought back are so good as well!
But how come you never remember where you bought these?
Sorry, I was too focused on delivering newspaper.

Hey Po! Thanks for the afternoon tea today.
Again!
I'm glad you liked the fruit tarts.

Yeah, but I kinda miss having lunch with you.
Especially your secret dishes!
Sorry about that.

No problem, it's great to see you happily busy!
Yes, I am.



The interesting thing is. Po's afternoon tea tastes kind of famaliar...
...as if I've tasted it somewhere before.

...or am I just thinking too much?
